

Villa Garden

Relax with glamour and style

Located in the most prestigious area of "Super Cannes" the villa Garden will receive you in a setting of greenery overlooking a fascinating view from the Islands of "Lérins" to the south Alps.

The villa provides a unique accommodation in a property that has been architected around nature and luxury amenities.

The property is secured by very high fencing and a large automatic gate opening upon a drive way, co-planted with palm trees and tropical plants, which leads to a covered parking space for four cars.

The majestic entrance of the main villa introduces you to a relaxing atmosphere where tropical plants, birds and a waterfall with fish mingle around you. The living area reminds you that you are on the French Riviera with a spectacular view over the Cap d'Antibes overlooked by the overflow swimming pool of this level of the property.

The Villa Garden provides five bedrooms with on-suite bathrooms, as well as two separately accessible apartments with each two bedrooms, kitchen, and bathroom.

The exteriors of the villa includes two swimming pools, a separate game room with billiard table, a workout room, and multiple garden corners great for escaping the rest of the villa for a relaxing moment.

The villa Garden is a perfect luxury vacation rental in Cannes for either a family on holidays or a corporate group during one of the many conventions held in Cannes.
