

Villa du Cap

A spectacular villa on Cap d'Antibes

The Villa du Cap is a fabulous property on the front row of what you can consider as being the Riviera's most prestigious area. The traditional architecture of this villa is turned towards the beautiful bay of "La Garoupe" which is also home of the trendy beaches and the intimate luxury hotel "Bay Dorée". In this rental one can enjoy the natural and very green environment of this coast line and the crystal clear waters along natural sand beaches.

The villa is built on a large co-planted ground with easy secured parking and a comfortable swimming pool. Children safely can play on the manucured lawn under the large pine trees.

"Villa du Cap" provides four bedrooms in all; the garden level includes a fully equipped functional kitchen which opens to an airy living room. This level also includes a large double bedroom with on-suite shower room.

The first floor of the villa is granted with an unbelievable view over the Bay and the Cap d'Antibes. This floor includes the master bedroom with a king bed and a large on-suite bathroom with tub and shower. Two more bedrooms with twin beds with each their own shower room are neighboring the master bedroom.

The basement of the villa holds a 5th bedroom which can be used by personel or an occasional extra sleeping area. This level also has a full wash room and a ... recording studio, just in case you want to sign a song...

The villa du Cap is a perfect hideout for both summer vacations and host your team for one of the many festivals in Cannes.
