Luxury Villa Rental in St Tropez

Wrap yourself in modern luxury in this contemporary six-bedroom villa. From the energizing sunroofs in almost every room, to the rolling hills and large pool and garden area, no expenses have been spared in the style and furnishing of this property.

The master bedroom is in a separate sleeping area from the rest of the rooms in the villa. In this 25 square meter suite, you will find a comfortable king bed, and separate restrooms with a large rain shower, and a bubble bath with a view of the garden. The master suite also offers a private terrace, with exterior furniture which overlooks the pool and garden areas. You will have complete control over the surveillance cameras on the property with a control screen located right in the master suite.

Your guests will enjoy their stay in one of the five additional bedroom suites on the property. All bedrooms are complete with flat screen televisions and three include access to private restrooms.

Preparing food for your guests will be simple and satisfying in the large, fully equipped modern kitchen. Complete with a cooking island, American fridge, wine cellar, three stoves, and a microwave. An inviting round dining table for ten is in the dining room, which is located in a rotunda. A library is located at the top of the rotunda, and a catwalk leads to it from the dining room.
